- a. Review the existing curriculum review cycle
- b. Consider adjustments needed to restart the cycle
 - i. Current placement
 - ii. Standards implementation
 - iii. Legislation
 - iv. Recent curriculum/resource adoption
- c. Consider whether curricular areas could shift to allow ELA to move forward in the cycle
ELA needs sufficient time for review, but cannot wait four years due to outdated curriculum that doesn't align well with READ Act requirements.

- d. Consider whether Health/Physical Education should remain the first curricular area scheduled for resource review/purchase given the current status of academic standards implementation

4. Review & Refine Tasks for Years 1-8

- a. Review the work currently associated with each year of the cycle.
- What should stay?
 - What needs clarification?
 - What should be adjusted?
 - Should any tasks be added, removed, or moved?
 - Where is consistency important?
 - Where is flexibility appropriate?
- b. Note: We will continue to refine the cycle throughout the year. Please track questions, concerns, and suggested revisions to bring back to the Curriculum Leadership Team.

5. September 1 Curriculum Team Meetings

- a. Goal: Establish a common plan for September 1 meetings.
- b. Proposed Team Agenda
