Subject: Gap in fence on Recess Sidewalk (FIS)

To: Peter Wittmer <pwittmer@apps.isd51.org>, Matt Beck <mbeck@apps.isd51.org>, Paul Jacobs <pjacobs@apps.isd51.org>

Good afternoon,

I was wondering if it would be possible to place some safety cones over the gap against the fence on the sidewalk going to the playground at FIS. There is a sizable gap that extends past the fence that someone could accitdently step in and get pretty seriously injured.
